

"Perfect" by PINK

Made a wrong turn once or twice

Dug my way out blood and fire

Bad decisions that's right

Welcome to my silly life

Mistreated, misplaced, misunderstood

Miss "no way it's all good"

Mistaken, always second guessing

Underestimated

Look, I'm still around

+Pretty, pretty please

Don't you ever, ever feel

Like your less than

Less than perfect

Pretty, pretty please

If you ever, ever feel

Like your nothing

You are perfect to me+

You're so mean when you talk about yourself

You are wrong

Change the voices in your head

Make them like you instead

So complicated, Look how big you'll make it

Filled with so much hatred

Such a tired game

It's enough I've done all I can think of

Chased down all my demons

I've seen you do the same

+++++++

The world stares while I swallow the fear

The only thing I should be drinking is an ice cold
beer

So cool in lying and I tried, tried

But we try too hard; it's a waste of my time

Done looking for the critics, cuz there
everywhere

They don't like my jeans, they don't get my hair

Exchange ourselves and we do it all the time

Why do we do that? Why do I do that?

Why do I do that?

+++++++
